Subject: Notice of Return of Reclamation Surety Bond Number 104805618 and Request for Reclamation Contract, Lakeview Rock Products, Inc., Beck Street Quarry, M0350020, Salt Lake County, Utah

Dear Mr. Larsen:

The Corporate Surety bond filed with the Division by on or behalf the obligor on January 3, 2007, in connection with an effort to bond the following permit: M0350020, in the amount of \$363,100.00, is hereby returned as unacceptable for the following reason(s):

- The bond is missing the company seal as required (see bond page 3);
- The surety, bond number 104805618, must have the date of April 21, 2003 as the date the Division received the Principal's Notice of Intention. There is currently no date stated.

Please correct the indicated deficiencies immediately, and resubmit the surety bond to the Division. In addition, the partially completed large mine reclamation contract emailed on November 3, 2006, as an attachment, has not been received. Please find it enclosed for completion and notarized signature. Return to the Division immediately. Division surety approval cannot occur until all requested information has been received.
